DNV local unit:
Augsburg

Approval Engineer:
Timo Linn

Approved Body No.: **0097**

for **DNV UK Ltd.**

Mydlak-Röder, Christine

MER Service Responsible

**Maritime &
Coastguard
Agency**

UK Approved Body Authorised
by the MCA

This certificate will not be valid if the manufacturer makes any changes or modifications to the approved type of equipment, which have not been notified to, and agreed with the approved body named on this certificate.
During the period of validity of this certificate the applicable regulations (international conventions and the relevant resolutions and circulars of the IMO) and testing standards may change, therefore the product conformity may need to be re-assessed by the Approved Body.
"The Mark of Conformity" may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-control phase module (D, E or F) of Schedule 2 of the Merchant Shipping (Marine Equipment) Regulations 2016, as amended is fully complied with and controlled by a written inspection agreement with an approved body. In case limitations of use apply, these should be indicated in the Annex.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to 300,000 USD.

Product description

“Sikafloor® Marine 190”

Non-combustible material designated Sikafloor® Marine190. Is a one component self-leveling mortar based on polymer modified cement.

Density (mixed): 1800 kg/m³

Application/Limitation

Approved for use as non-combustible materials.

Approved Colour: Grey

Organic content: about 2.0 mass %

The product may be used as an integrated part of approved fire resisting divisions only when tested as such.

Each product is to be supplied with its manual for installation and use.

Type Examination documentation

Test Report No. PFB10356D dated 2019-11-05 issued by DBI, Danish Institute of Fire and Security Technology Jernholmen 12, DK-2650 Hvidovre.

Tests carried out

Tested according to IMO 2010 FTP Code part 1.

Marking of product

The product or packing is to be marked with name and address of manufacturer, type designation and UK Mark of Conformity (see first page).
